

SANSKAR SCHOOL CURRICULUM

Affiliation:

Sanskar School Jaipur is a co-educational institution affiliated with the Central Board of Secondary Education, New Delhi (CBSE). We cater to students from classes Nursery to XII, preparing them for the All India Secondary and Senior School Certificate Examinations. Our mission is to cultivate socially responsible global citizens equipped with essential life skills. Our dedicated team of qualified educators ensures the implementation of a curriculum aligned with the NEP-2020. English is the medium of instruction at Sanskar School Jaipur. Attendance of a minimum of 75% of total working days is mandatory for students, adhering to CBSE guidelines.

Curriculum:

Classes I to V: Our primary curriculum follows the CBSE-prescribed syllabi, in accordance with the National Curriculum Framework.

Classes VI to VIII: At the middle school level, we adhere to the NCERT syllabus within the CBSE-affiliated Schools' Scheme, maintaining consistency in assessment structure and examination pattern.

Classes IX to XII: Our high school curriculum is based on the core curriculum provided by CBSE, aligning with the National Curriculum Framework. We focus on holistic and constructivist development, encouraging hands-on learning experiences.

Classes IX and X: Students have the option to choose between Hindi or Sanskrit as their Second Language, in addition to compulsory subjects. They also have the choice between Basic Mathematics and Standard Mathematics. Art Education, Health & Physical Education, and Work Experience are internally assessed as per CBSE Scheme of Studies. The skill subject for these classes is Information Technology.

Classes XI and XII: Sanskar School offers three streams - Humanities, Commerce, and Science. Alongside Core English, students must select four additional subjects from a diverse range of options within each stream.

Humanities: Subjects include Political Science, Commercial Art, Informatics Practices, Psychology, Geography, Mathematics Core, Economics, History, Physical Education, Entrepreneurship, Applied Mathematics, Yoga, Agriculture, Financial Markets Management and Legal Studies.

Commerce: Subjects encompass Accountancy, Business Studies, Economics, Informatics Practices, Commercial Art, Physical Education, Psychology, Entrepreneurship, Mathematics Core, Applied Mathematics, Yoga, Agriculture, Financial Markets Management and Legal Studies.

Science: Options include Physics, Chemistry, Biology/Mathematics, Informatics Practice, Commercial Art, Physical Education, Psychology, Entrepreneurship, Economics, Yoga, Agriculture, Financial Markets Management and Legal Studies.

Different subject combinations across each stream are offered depending upon the number of students in a batch opting for the subject.

Work Experience, Health and Physical Education, and General Studies are compulsory for all streams and contribute to internal assessment. Passing in all compulsory subjects is mandatory.

At Sanskar School Jaipur, we are committed to providing a comprehensive education that empowers students to excel academically and grow into responsible individuals ready to face the challenges of the modern world.
