

Academic Integrity Policy

Sanskar School aims to:

- equip its pupils with a **critical and global outlook** which will make them committed citizens of the world.
- recognize **and channelize the potential** of the pupil and develop thinking, communication, social, scientific and interpersonal skills.
- foster **cognitive, affective and psychomotor development** and enable the pupil to make connections with the acquired knowledge in his/her everyday life.

Sanskar School believes in academic integrity and expects all the teachers, students and parents to hold the same moral and ethical beliefs. We believe that it is essential to make knowledge, understanding and thinking of students transparent.

We believe that a safe and encouraging learning environment in which students can explore ideas and make visible the development of their own thinking, will support academically honest behaviour and help to instil values and principles.

Academic integrity in Sanskar is an essential aspect of teaching and learning where action is based on inquiry and reflection. It is important to understand that academic integrity is essential in education. It helps to progress in the path of knowledge, as integrity is the main key to success.

Intellectual property, ideas, words and works of others are at all-time respected in the form of correct acknowledgement and citation.
