Diwali Donation Drive

Sanskar School reaffirmed its commitment to social responsibility through an extensive Diwali Donation Drive. With enthusiastic participation from students, parents, and staff, the school collected **623 kg of rice, 762 kg of flour, 266 kg of porridge, and 453 kg of pulses**, which were distributed to **Akshay Patra, Matrachhaya, Arihant Foundation, and Nivala by Kamalabai Charitable Trust**.

Adding a meaningful experiential dimension, students visited **Matrachhaya Orphanage**, where they interacted with children through games, rangoli-making, and joyful activities. They also donated books, toys, stationery, and food items, nurturing empathy, compassion, and a sense of community service.

Health Awareness Collaboration – Satvic Movement

In association with the **Satvic Movement**, a community-driven health initiative, students were sensitised to holistic health, mindful living, and nutritious food choices. Through the **Satvic Youth** vertical led by Rajat and Himadri, students benefitted from interactive films and workshops that have positively impacted over 10,000 children nationwide, empowering them to make informed lifestyle choices.

ENVIRONMENTAL INITIATIVES

Plantation Drive & “Deeply Seeded” Initiative

Sanskar School organised the eco-conscious initiative “**Deeply Seeded**”, wherein students collected seeds, prepared seed balls, and participated in a plantation drive near **Nevta Dam, Jaipur**. The objective was to develop a green belt around the water reservoir and promote biodiversity.

Students learned about native plant species, seed protection, and sustainable conservation practices. The activity fostered teamwork, creativity, and environmental stewardship while contributing tangibly to ecological restoration.

National Paper Bag Day Observance

To promote eco-friendly alternatives to plastic, Sanskar School observed **National Paper Bag Day** on **11 July 2025**. Students of Grades **3 to 5** created a *Paper Bag Fact Board*, showcasing facts, history, and awareness slogans. Educational videos connected the initiative to the **UN Sustainable Development Goals**.

Students from **Grades 6 to 12** crafted reusable paper bags, reinforcing the message of sustainability. Senior students further distributed these bags to local vendors and shopkeepers, actively encouraging reduced plastic usage and community participation in environmental protection.

Save Environment Rallies & Earth Day Celebrations

Grade 4 students conducted a vibrant **Save Earth Rally**, marching through nearby parks with posters and slogans to spread awareness on environmental conservation. They engaged local residents in discussions on eco-friendly practices, making the initiative impactful beyond campus.

On **International Mother Earth Day**, the school hosted a special assembly centred on the theme “*Save Earth, Celebrate Earth Day Every Day.*” A thought-provoking skit, soulful choir performance, and expressive dance conveyed messages of conservation, gratitude, and harmony with nature, inspiring students to adopt sustainable habits in daily life.

Cleanliness Drive

Reinforcing civic responsibility, Sanskar School conducted a **Cleanliness Drive** involving students across grade levels. Students participated in campus and neighbourhood clean-up activities, awareness rallies, and poster-making sessions highlighting hygiene and waste segregation. Through hands-on action, students understood the importance of maintaining clean surroundings and promoting a healthier environment.

COMMUNITY & SOCIAL VALUES

International Labour Day

International Labour Day was celebrated with deep gratitude and respect for the school's support staff. A special assembly featured a heartfelt musical tribute "*Hamara Salaam Aapko*" and a graceful **Krishna Vandana**.

A friendly cricket match between male support staff, senior students, and sports coaches fostered camaraderie. Students of Classes VI–VIII created thank-you cards, while Classes XI–XII prepared and served homemade meals and refreshments, reinforcing dignity of labour and mutual respect.

Bird Rescue Initiative – Makar Sankranti

In collaboration with **Angle Eye NGO**, Sanskar School organised a **Bird Rescue and Awareness Initiative** during Makar Sankranti. IBDP students conducted awareness workshops, followed by a three-day rescue and treatment camp at **Gurudwara, Vaishali Nagar**.

Students assisted medical teams, distributed pamphlets, and supported injured birds, gaining firsthand experience in compassion, animal welfare, and community service.

CAREER GUIDANCE & GLOBAL EXPOSURE

Sanskar School remains committed to empowering students with a global perspective, bridging the gap between high school and higher education through strategic international collaborations and comprehensive career counseling.

University Career Fair: Unlocking Global Opportunities

The school hosted a dynamic University Fair, serving as an interactive roadmap for students from Grades 10 to 12. The event provided a platform for direct engagement with a diverse lineup of prestigious institutions, fostering informed decision-making for future academic pathways.

- **Global Networking:** Students across CBSE, IBDP, and Cambridge streams engaged in one-on-one sessions with representatives from over 30 leading National and International universities.
- **Strategic Counseling:** Expert delegates provided essential clarity on admission criteria, portfolio development, scholarship opportunities, and emerging career fields in India and abroad.
- **Expert Insights:** A specialized session by **Dr. Jaideep Chandran** (Head of School, Science, Technology, and Engineering, Curtin University, Singapore) offered senior students deep dives into AI integration, future tech careers, and global campus life.

We would like to extend our gratitude to the prestigious universities and colleges that joined us:

International Universities Interactions

Our students explored prestigious global horizons through interactions with renowned institutions, including:

- **United States:** Georgetown University, California Baptist University, San Mateo Colleges of Silicon Valley, Savannah College of Art & Design (SCAD), Beloit College, New York Institute of Technology, Radford University, San Jose State University, University of San Diego, and University at Buffalo.

HEALTH & WELLNESS

At Sanskar School, we prioritize holistic development by integrating physical health with a robust focus on emotional intelligence, digital safety, and mindfulness.

- **Mental Health & Mindfulness:** Our "Little Sanskarians" explored inner peace through **Meditation Day** with Ms. Manjula Bhati, while World Mental Health Day and World Suicide Prevention Day were observed through reflective activities and "Letters to my Future Self" to foster hope and resilience.
- **Empowerment Workshops:** Interactive sessions led by Ms. Priyanka Swittens and Ms. Mona Singh taught Grades 1–5 to recognize emotions and practice gratitude, while a transformative faculty session with **Ms. Nisha Jain Grover** redefined classroom culture through emotional safety.
- **Digital & Physical Safety:** Students in Grades 4 & 5 engaged in **Digital Awareness** sessions to navigate the online world safely. Additionally, comprehensive **dental and eye screening camps** were organized to ensure early detection and promote preventive healthcare.
- **Life Skills:** Counseling sessions for primary classes focused on anti-bullying, self-esteem, and peaceful problem-solving, equipping students with essential collaborative skills and empathy.

ART & CREATIVE EXPRESSION

Mosaic – Art Fest 2025

- On **26 April 2025**, Sanskar School hosted **Mosaic – The Inter-School Art Competition**, welcoming over twenty schools. Students explored texture painting, tote bag folk art, 3D wooden panel art, and sustainable installations inspired by the SDGs. Judged by eminent artists and educators, the event celebrated creativity, innovation, and artistic freedom.

Annual Art Exhibition

- A three-day **Art Exhibition** showcased creative works from **Pre-Primary to Grade 12**, including paintings, sculptures, installations, sustainable crafts, photography, block printing, fashion models, and mixed-media art. Organised under the guidance of **Mr. Shaan Bhatnagar**, with support from **Mrs. Rhea Tharyamal and Ms. Disha Tharyamal**, the exhibition received widespread appreciation from parents, students, and visiting educators.

GLOBAL PLACEMENTS & UNIVERSITY ACCEPTANCES
